HELP WANTED

PRODUCTION MANAGER This manager is responsible for quality, on-time printing and assembly of web products for a group of small Southwestern newspapers that also have a commercial printing customer base. This person also is responsible for the group's setup, maintenance and oversight of OSHA compliance guides for workplace safety, and ensure we meet these standards. Your people and administrative skills are as important as your technical skills. You will be a working pressman as needed and oversee our 4-person press and prepress staff. Strong computer and technical skills are required along with knowing how to work with spreadsheets to track revenues, usage and waste. Your responsibilities will include developing and overseeing revenue, expense and capital budgets for your department. Two years of college preferred; however, reasonable experience in print operations, management duties and print bids can be substituted. You will enjoy a competitive salary and bonus incentive plan, a benefits package which includes health care and vision, and sick and vacation leave. Please apply by sending your resume to Joyce Cruce, Human Resources Director, P.O. Box 1689, Clovis, NM 88102-1689 or email to jcruce@cnjonline.com. nctfx
