## What is Hospice? Hospice is way more than care.

By definition Hospice is a continuation of a patient's medical care for people facing a life-limiting illness and is available for people of all ages, from infants to the elderly. It is covered by most health insurance plans, including Medicare and Medicaid. Hospice should begin when the focus changes from treatment of the disease to treatment of symptoms and comfort care.

The decision for hospice care is a personal one. At any stage of an advanced illness, it is appropriate to consider the options available through hospice care.

Please call 308.254.3273 for questions or go to www.SidneyRMC.com. This is an equal opportunity employer and provider. SRMC Home Health & Hospice Services are located at 1625 Dorwart Dr, Suite A, Sidney NE 69162
