FOR AN ACT relating to the Medical Assistance Act; to amend section 68-915, Revised Statutes Cumulative Supplement, 2016, and section 68-901, Revised Stat-

utes Supplement, 2017; to change provisions relating to eligibility for medicaid; to harmonize provisions; to provide severability; and to repeal the original sections.

Be It Enacted By The People Of The State Of Nebraska, Section 1. Section 68-901, Revised Statutes Supplement, 2017, is amended to read: 68-901 Sections 68-901 to 68-991 and section 2 of this act shall be known and may be cited as the Medical Assistance Act.

Sec. 2. (1) Eligibility for medical assistance shall be expanded to include certain adults ages nineteen through sixty-four whose income is equal to or less than one hundred thirty-eight percent of the federal poverty level, as authorized and using the income methodology defined by 42 U.S.C. 1396a(a)(10)(A)(i)(VIII) and related federal regulations and guidance, as such statute, regulations, and guidance existed on January 1, 2018.

(2) On or before April 1, 2019, in order to ensure that eligibility for medical assistance is expanded as required by this section, the Department of Health and Human Services shall submit a state plan amendment and all other necessary documents seeking required approvals or waivers to the federal Centers for Medicare and Medicaid Services.

(3) The Department of Health and Human Services shall take all actions necessary to maximize federal financial participation in funding medical assistance pursuant to this section.

(4) No greater or additional burdens or restrictions on eligibility, enrollment, benefits, or access to health care services shall be imposed on persons eligible for medical assistance pursuant to this section than on any other population eligible for medical assistance.

(5) This section shall apply notwithstanding any other provision of law or other waiver.

Sec. 3. Section

68-915, Revised Statutes Cumulative Supplement, 2016, is amended to read: 68-915 The following persons shall be eligible for medical assistance:

(1) Dependent children as defined in section 43-504;

(2) Aged, blind, and disabled persons as defined in sections 68-1002 to 68-1005;

(3) Children under nineteen years of age who are eligible under section 1905(a)(i) of the federal Social Security Act;

(4) Persons who are presumptively eligible as allowed under sections 1920 and 1920B of the federal Social Security Act;

(5) Children under nineteen years of age with a family income equal to or less than two hundred percent of the Office of Management and Budget income poverty guideline, as allowed under Title XIX and Title XXI of the federal Social Security Act, without regard to resources, and pregnant women with a family income equal to or less than one hundred eighty-five percent of the Office of Management and Budget income poverty guideline, as allowed under Title XIX and Title XXI of the federal Social Security Act, without regard to resources. Children described in this subdivision and subdivision (6) of this section shall remain eligible for six consecutive months from the date of initial eligibility prior to redetermination of eligibility. The department may review eligibility monthly thereafter pursuant to rules and regulations adopted and promulgated by the department. The department may determine upon such review that a child is ineligible for medical assistance if such child no longer meets eligibility standards established by the department;

(6) For purposes of Title XIX of the federal Social Security Act as provided in subdivision (5) of this section, children with a family income as follows:

(a) Equal to or less than one hundred fifty percent of the Office of Management and Budget income poverty guideline with eligible children one

The department shall apply for a waiver to disregard any unearned income that is contingent upon a trial work period in applying the Supplemental Security Income standard. Such disabled persons shall be subject to payment of premiums as a percentage of family income beginning at not less than two hundred percent of the Office of Management and Budget income poverty guideline. Such premiums shall be graduated based on family income and shall not be less than two percent or more than ten percent of family income;

The department shall determine eligibility under this section pursuant to such income budgetary methodology and subdivision (1)(q) of section 68-1713.

Sec. 4. If any section in this act or any part of any section is declared invalid or unconstitutional, the declaration shall not affect the validity or constitutionality of the remaining portions.
