CITY OF KIMBALL

Board of Public Works

Regular Meeting

March 8, 2022

Edited for Publication

A regular meeting of the Board of Public Works was convened in open and public session at 5:06 p.m. on March 8, 2022, at the Kimball Transit Center, 233 S Chestnut St. Board members Porter, Evertson, Coleman, Brown, and Fossand were in attendance. Absent: None. Also attending were Electric Superintendent Bill Hinton, Water Department Operator Casey Hottell, Landfill Superintendent Jim Schulte, WWTP Operator Blake Wagner, City Clerk Kim Barnwell, City Treasurer Jean Klassen, and City Administrator Brower. The public was represented.

Notice of the meeting was given in advance by publication in the Western Nebraska Observer. Notice of the meeting was given to the members and a copy of their acknowledgement of receipt of notice and the agenda is on record at the office of the City Clerk. Availability of the agenda was communicated in advance notice and in the notice to the members. All proceedings hereafter shown were taken while the convened meeting was open to the attendance of the public. Chairperson Porter called the meeting to order at 5:05 p.m. and acknowledged the posted Open Meetings Act poster. Motion by Fossand and seconded by Brown to approve the consent agenda items as presented for February 8, 2022. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

Discussion was held on Citizen Agenda Item - Dianne and Jim Pruetts 3 phase to property at 3775 W. Highway 30, Kimball, NE. City Administrator Brower stated she had met with the Pruetts, and the project was moving forward. The boring was completed under Highway 30 and the survey was done. Paperwork has been forwarded to the City Attorney for the easements to be completed and signed. The next step will be the tree removal.

Porter opened the discussion and presentation from Pat Henry with Power Tech on the Power Plant options for the future. Pat Henry presented the board with proposed generators that would tie into the existing grid. The units would be stand alone and provide approximately 20 hours full load run time. The system as proposed would not be labor intense to operator. Pat Henry continued to comment on the existing Power Plant engines being aged and the cooling system needing replaced. A proposal was

presented to the board.

Porter opened the discussion and presentation from Tyler Swaney with Exponential Engineering on existing electrical distribution system, future analysis of needs for electrical distribution and generation system evaluation. Tyler Swaney spoke on the Generation Assessment that would need to be conducted. He discussed the needs and factors involved in the assessment. Tyler Swaney told the board that he would submit a proposal with the next couple of weeks. The board discussed a joint meeting with the City Council to discuss the proposal and finalize.

Porter opened the discussion on the City water installation at the Cemetery. Water Operator Hottell said that the current water well at the Cemetery is pumping sand and causing issues with the sprinkler system. He recommended trenching a 4-inch water line from the water main on County Road 34 across to the Cemetery to replace the well issues. The Cemetery will be invoiced and could be installed once the ground thawed. The permit has been filed with the County for the next County Commissioners meeting. After discussion, motion by Evertson and seconded by Coleman to approve the Cemetery water main 4-inch line across the county road. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

The update from Kimball Recycling was tabled until the next meeting.

Porter opened the discussion to receive and approve bids on the Family Dollar Sewer Extension on Locust Street. Updated project bids from Hennings Construction and Brown Pump & Septic were received. After discussion, motion by Coleman and seconded by Evertson to approve the bid from Brown Pump and Septic for \$27,004.00 for the Family Dollar Sewer Extension on Locust Street. The following votes were recorded. Aye: Coleman, Evertson, Fossand, and Porter. Abstained: Brown. Nay: None. Absent: None. Motion passed.

Porter opened the floor for Superintendent updates.

Electric Superintendent Hinton updated that materials were still being waited on and the lack of materials may delay some projects. The Power Plant will be running on Thursday.

WWTP Operator Wagner updated that the East Channel Mixer has been installed and that the WWTP is looking at a new Ultrasonic Inflow Sensor. Landfill Superintendent Schulte updated that the old trash truck is down due to the radiator. The electric motor on the bailer is also down.

Dumpsters are ready to be sent off. The old house on Webster Street has been demolished and delivered to the landfill. The new door was installed at the Recycling Center today.

Water Operator Hottell updated that the Water Department spent time organizing a room in the shop and replaced a water leak on Webster Street.

City Administrator Brower updated that the 2022 fuel bids were locked in a few weeks ago and the quantity amount for the Power Plant was increased. She stated that the departments are ordering supplies that are available now for future use. Clean Harbors will be conducting a Development Agreement for the apartment complex lots purchased. Clean Harbors East is planning on a RV park on the additional property. The annexation proposal south of Interstate 80 is moving forward. She continued to update that the NMPP/MEAN rate studies are in process and that the WWTP study is being finalized. The Recycling Center wall has been repaired, the roof has been fixed and painting will be starting soon. City Administrator Brower stated that as soon as the PD remodel/update has been completed, the City Council Chambers will be available. She stated tentatively looking at April or May. The Air Force will be holding Public Hearings in the near future to discuss the upcoming Missile project. Northrop Grumman plans to have a Business Liaison onsite as well to assist businesses with the registration process.

Next regular meeting will be April 12, at 5:00 p.m. There being no further business, Evertson moved and seconded by Fossand to adjourn the meeting at 6:38 p.m. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

PUBLIC NOTICES

KIMBALL COUNTY COMMISSIONERS MEETING Tuesday, April 19, 2022

The Kimball County Board of Commissioners of Kimball County, Nebraska, met in regular session at 9:00 a.m. on Tuesday, April 19, 2022, in the Commissioners' Meeting Room of the Courthouse in Kimball, Nebraska.

Notice of the meeting was given in advance by publication in the Western Nebraska Observer. A copy of the proof of publication is on file in the office of the County Clerk. Notice of the meeting was given to the members and a copy of their acknowledgment of the receipt of notice and the agenda are on record at the office of the County Clerk. Availability of the agenda was communicated in the advance notice and in the notice to the members. All proceedings hereafter shown were taken while the convened meeting was open to the public.

Chairman Engstrom called the meeting to order at 9:00 a.m. County Clerk Cathy Sibal was present and called the roll with Commissioners Larry Engstrom, Carl Stander and Rich Flores answering. Attorney Matthew Turman, legal counsel for the Board, and Deb Evertson, Deputy County Assessor, were in attendance. Daria Anderson, staff reporter for the Western Nebraska Observer, was present for a portion of the meeting. The public was represented.

Chairman Engstrom acknowledged the location of the Open Meetings Act Poster posted on the east wall of the meeting room and informed those present that any persons using recording devices must keep the device in their possession. Copies of the Open Meetings Act are available upon request.

Flores made a motion to authorize the Board's signatures on the acknowledgment of receipt of notice of meeting and agenda as presented and to approve the agenda as prepared and the minutes of the April 5, 2022, regular meeting as printed. Stander seconded the motion. Roll call vote: Aye: Flores, Stander, Engstrom. Nay: None. Motion carried.

Commissioner reports on meetings they have attended representing Kimball County: Commissioner Flores reported he attended the NIRMA Cyber Security Seminar and a ZOOM meeting with Ground Based Strategic Deterrent (GBSD). He also reported he successfully completed the County Officials Online Learning (COOL) program. Stander reported he attended the Community Action Partnership of Western Nebraska (CAPWN), Panhandle Public Health District and Region I Behavioral Health regular board meetings and the NIRMA Cyber Security Seminar. Commissioner Engstrom reported he attended the Aging Office of Western Nebraska (AOWN) and the Panhandle Area Development District (PADD) regular board meetings.

Reports received and placed on file in the County Clerk's Office: March 2022 County Clerk Fees report; January 2022/March 2022 County Treasurer Pledge and Investment Summary.

The Board received and reviewed the correspondence to be placed on file in the County Clerk's Office. Discussion was held on correspondence from NACO concerning the upcoming NACO County Budget Workshop on May 5th in Ogallala.

Rick Wangler, County Weed Superintendent, met with the Board to give an update on the Weed Department and stated he is not spraying due to the windy conditions and is working on inspections and paperwork. He said his part-time employee will begin work June 1st. Wangler reported he published the Noxious Weed Notice that is required and presented the 2021 Reports and Requirements Summary for Kimball County for the Board's approval. Flores made a motion to approve and authorize the Chairman's signature on the 2021 Reports and Requirements Summary for Kimball County as presented. Stander seconded the motion. Roll call vote: Aye: Flores, Stander, Engstrom. Nay: None. Motion carried.

The Board discussed possible expenditures for ARPA Funds. Commissioner Engstrom suggested a generator to provide power to the Courthouse when the power goes out. All three board members agreed a new boiler for the Courthouse should be considered. The Board asked Clerk Sibal to send out an email to all county departments requesting them to send her their "wish list" for items they

would like to be considered for ARPA funds and submit them to the Board.

Flores made a motion to approve and authorize the Chairman's signature on the Copier Connection, Inc., Canon Copier Full Service Contract for the copiers in the County Assessor's Office #1 IR-C3080, #2 IRA-C5235 as presented. Stander seconded the motion. Roll call vote: Aye: Flores, Stander, Engstrom. Nay: None. Motion carried.

The Board discussed and reviewed the agenda for the upcoming NACO Board Workshop scheduled for June 8th and 9th in Kearney for County Commissioners.

Jacob Hurla, President of Community Building Solutions, met with the Board to introduce himself and give an overview of the services provided by his company, Community Building Solutions. He presented and reviewed an informational packet and stated Community Building Solutions is a Nebraska company located in Lincoln. Hurla said they are currently working on facility upgrades for the Kimball School system, and they just finished a project for the Garden County Courthouse. He said the company is the general contractor with qualified sub-contractors working under them for the projects they oversee. Hurla discussed some projects and goals for Kimball County based on his walk-through of the Courthouse on April 1st and stated he would give a more detailed report at no cost to the County when he meets with them again. He said the first step for the Board is to determine if the County wants to proceed with seeking a company to oversee the facility upgrades using ARPA funds. Once that is decided, the next step would be to establish a Request for Qualifications (RFQ) and submit it to three energy companies to seek their proposals. Comments were heard from Attorney Matthew Turman, legal counsel for the Board, regarding the RFQ and bidding process.

Nathan Rice, UNL Extension Educator, met with the Board to introduce Jennifer Coleman, who is the office manager and 4-H aide for the Kimball Extension Office, and request the Board appoint a new member to the Extension Board. Coleman gave a brief overview of her job history and information about her family. Rice discussed the budget for office staffing and said the Board will see fluctuations in the proposed budget for fiscal year 2022/2023. He presented the 2021 Annual UNL Extension Report that highlights activities for the year and services provided. Stander made a motion to appoint Laura Nelson as the Kimball County representative on the UNL Kimball/Banner/Cheyenne Counties Extension Board, as requested by Nathan Rice. Flores seconded the motion. Roll call vote: Aye: Stander, Flores, Engstrom. Nay: None. Motion carried.

Sheila Newell, County Zoning Administrator, presented and reviewed the Zoning Administrator March 2022 Monthly Report. She reviewed and discussed the 2022 South Platte Natural Resources District Multi-Jurisdictional Hazard Mitigation Plan and presented a resolution for the Board's approval. Flores made a motion to approve and adopt Resolution 2022-09 to approve the 2022 South Platte NRD Multi-Jurisdictional Hazard Mitigation Plan, as presented and prepared by Newell. Stander seconded the motion. Roll call vote: Aye: Flores, Stander, Engstrom. Nay: None. Motion carried.

Christy Warner, County Transit Administrator, advised the Board of activities planned for Transit Week that is being observed April 20th to April 27th by the Kimball County Transit Service and stated the mask mandate was lifted as of April 18, 2022. She discussed personnel changes she has made due to the Nebraska Department of Transportation (NDOT) changes that were implemented March 16, 2022. Warner presented a chart of transit personnel, along with new job descriptions, and explained how Kimball County is reimbursed by NDOT depending on employees' duties. Warner advised the Board she is working with the transit auditors to implement all their requirements and discussed cash flow problems that are created by the timing of receipts from federal and state reimbursements to Kimball County. Discussion was held on changes for the Transit Service and the Board agreed no changes were needed at this time. Present for the discussion were Transit employees

Sarah Ludwig, Office Manager, and Dave Hickman, Operations Manager.

Stander made a motion to approve and authorize the Chairman's signature on a letter to Front Door Cyber Grants recognizing the Kimball County Transit Service as County Government, as requested by Christy Warner, County Transit Administrator, to allow her to apply for certain grants. Flores seconded the motion. Roll call vote: Aye: Stander, Flores, Engstrom. Nay: None. Motion carried.

PUBLIC NOTICES

CITY OF KIMBALL
 Board of Public Works
 Regular Meeting
 April 12, 2022
Edited for Publication

A regular meeting of the Board of Public Works was convened in open and public session at 5:06 p.m. on April 12, 2022, at the Kimball Transit Center, 233 S Chestnut St. Board members Porter, Evertson, Coleman, Brown, and Fossand were in attendance. Absent: None. Also attending were Electric Superintendent Bill Hinton, Water Department Operator Casey Hottell, Landfill Superintendent Jim Schulte, City Clerk Kim Barnwell, City Treasurer Jean Klassen, and City Administrator Brower. The public was represented.

Notice of the meeting was given in advance by publication in the Western Nebraska Observer. Notice of the meeting was given to the members and a copy of their acknowledgement of receipt of notice and the agenda is on record at the office of the City Clerk. Availability of the agenda was communicated in advance notice and in the notice to the members. All proceedings hereafter shown were taken while the convened meeting was open to the attendance of the public. Chairperson Porter called the meeting to order at 5:06 p.m. and acknowledged the posted Open Meetings Act poster.

Motion by Fossand and seconded by Brown to approve the consent agenda items as presented subject to amendment of minutes from March 8, 2022, with correction on the 9th paragraph stating that Brown abstained from the voting for March 8, 2022. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

Porter opened the discussion on Historical Society's request to receive waiver of landfill fees beyond the landfill waiver policy, Resolution 202108 BPW. The committee discussed that the Historical Society did not have a Nebraska Interlocal Agreement with the City and further discussed the policy. After further discussion, Evertson motioned and seconded by Fossand to deny the Historical Society's request to receive waiver of the landfill fees beyond the landfill waiver policy. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

Porter opened the discussion for approval on the Water Department's estimate from MIDCO for Storage Tank Steel Overflow Pipe. Water Operators Hottell and Winters updated the board on the status of the water tank overflow pipe and issues without the proposed pipe extension and concrete pad. The board discussed the issue of having the correct DFT thickness of the coating being applied. Hottell and Winters confirmed that one Water Operator would be onsite when proposed work was being completed. Administrator Brower stated that MIDCO would be contacted to confirm the DFT thickness and testing that would be conducted. After further discus-

sion, Fossand motioned and seconded by Evertson to approve the MIDCO estimate for Storage Tank Steel Overflow Pipe of \$15,743.75 and Concrete Pad of \$1,181.00. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

Porter opened the discussion for approval on Johnson Controls estimate for North Side Sewer Clean/Vac/ Jet work. Porter stated that \$7,500.00 had been budgeted for this procedure. Water Operator Winters informed the board that this estimate would not cover the entire North Side needs, but that Johnson Controls was planning on being in the Kimball area soon and that scheduling was becoming an issue. The estimate proposed would cover work necessary for almost half of the North Side and a small section of the Sunny View subdivision. Brown motioned and Coleman seconded to approve the Johnson Controls estimate for North Side Sewer Clean/Vac/ Jet work for \$6,448.00. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.

Porter opened the floor for Superintendent updates.

Electric Superintendent Hinton updated that the partial planned outage involved taking down wires and that a few issues were discovered. The planned power outage for Thursday, April 14 was going to consist of multiple entities and that the City was going to generate power from the Power Plant as long as permitted and that there were no issues. The all-day outage may take 8 - 15 hours to correct all necessary issues. Hinton continued to update that the electric department was working on removing the trees pertaining to the Perry and Pruet properties.

Landfill Superintendent Schulte updated that the old trash truck is up and running routes. He is maintaining two operators at the landfill at all times. Schulte stated that new dumpsters were being build and other dumpsters were being repaired and painted.

Water Operator Hottell updated that the Water Department was working on the issue of a cracked valve that was replaced which allowed air into the system. They flushed fire hydrants to resolve the issue as well. Hottell stated that the State of Nebraska has recommended five separate water samples be run in order to monitor the situation. Hottell also stated that the Booster Station lost water and power last week and an electrician was called in to assist with the repairs. Water Operator Zac Gotfrey attended the State of Nebraska Grade 4 Water Operators license class and tested at that time as well.

City Administrator updated that the WWTP was maintaining status at this time and should be receiving the WWTP Study results in a couple of weeks.

Porter opened the floor for Spud Rowley from the Kimball Recycle Center to conduct a yearly update on the Center. Mr. Rowley presented a

handout with multiple updates on the Center. He stated that the total materials recycled in 2021 were 811,208 pounds. Rowley then presented a thorough and informative slide how presentation to the board.

City Administrator Brower updated that she is waiting on the Engineer Specs and the Development Agreement for the apartment complex construction on the Clean Harbors property. She stated that there will be some utility needs and that there are no sewer lines in that area. Brower briefed the board on the recent and upcoming Planned Power Outage. Brower stated that the Air Force meeting for the landowners and the public is scheduled for April 22 at the Kimball High School This meeting will provide public awareness of the upcoming events for the Missile Silo upgrades. Brower informed the board that she would not be available for the next BPW meeting on May 10, 2022. She continued to update the board that the joint meeting with City Council and BPW to discuss the Power Plant Generators and the plan for moving forward is tentatively scheduled for April 28, 2022, at 5:00 pm.

Next regular meeting will be May 10, at 5:00 p.m. There being no further business, Coleman moved and seconded by Brown to adjourn the meeting at 6:39 p.m. The following votes were recorded. Aye: Coleman, Evertson, Fossand, Brown and Porter. Nay: None. Absent: None. Motion passed.
